Exam Result

Once you feel you are ready to write the exam, speak to the Chief Training Officer to arrange a date and time to write (at a race meeting, or a general meeting)

Please note that the Post Chief/Chief Marshal does not have to fill in the form, if in their opinion there was not enough action on the day to evaluate you.

The minimum time required to achieve a grade 1 is 4 months, but could take longer depending on the events attended, plus the approval of the Chief Training Officer and Chief Marshal.

The onus is on you to give this form to the Post Chief/Chief Marshal in the morning of an event, so that they are aware that you are under evaluation, and to ensure you get the form back at the end of the day.
